Exhibit F2 to CLAG's map record (23 September 2026): the townscape map of the Council's Historic Core Conservation Area Appraisal for Drummer Street and Christ's Lane

Filed with CLAG's map record (Annex F), for the public register of application 26/02109/FUL.

The page below is page 3 of 5 of the Drummer Street and Christ's Lane section of the Council's Historic Core Conservation Area Appraisal, as the Council publishes it. It is reproduced below the stamp at a slightly reduced size and is otherwise unchanged; the page carries the Council's own copyright line. The map record, section 1, entry 3, relies on it for the arrows keyed "Key Positive view" along Christ's Lane in both directions, for the colouring of the College's whole frontage to the lane as "Grade I Listed Building", and for the lane's surface keyed "Area of Quality Paving".

The item in this exhibit:

1. Item F2.1: the Drummer Street and Christ's Lane townscape map, page 3 of 5 (1 page).
